

1. ONABINGER is an extremely cautious individual and in showing his driver's license to SKUTZBACH and to me, carefully covered his name. He showed us the picture of himself in attempting to illustrate how difficult it was to identify pictures.

2. In reply to my query on HELENE and PARIS SKUTZBACH stated that PARIS was sent from Prague to West Germany in December 1959. While in Czechoslovakia he had received very bad treatment by the Czechs and therefore despised them. Before leaving Prague arrangements were made for PARIS to meet with his handling officer in Austria on the Mondsee in June 1960. PARIS is in radio contact with the CSR on Tuesdays and Thursdays. In response to a recent request that his sister come to Salzburg she went there on a Sunday and waited two hours for a meeting but no one appeared. This was extremely disturbing to the sister (HELENE) because she has two medical practices and is extremely busy. She claims she has no time to engage in any type of intelligence activities and it is only with extreme difficulty that UPSWING can meet with her for short periods. After returning to ~~SAKINERFERN~~ Germany PARIS continued to get instructions to come to Salzburg and received these messages on four additional days. He finally replied that his sister had been in Salzburg but that no one had appeared. The Czech reply was that the agent had unfortunately been unable to make the meeting. PARIS is a surveyor and is presently out of work primarily because of his poor health. PARIS's son still resides in the CSR.

3. In discussing the case involving ~~the~~ fm EICHMANN SKUTZBACH stated that EICHMANN is undoubtedly identical with ANTOS. (I later noted that both ANTOS and EICHMANN had stomach trouble.) Another target of the Czechs in this operation is a fm KLOSE and KLOSE is a judicial official in West Berlin. Fm GOTTLEROVA (phonetic) is the UPSWING agent's sister and with the Czech IS in Prague. Her alias is INGRID. Fm KRAMM (not known whether true name or UPSWING alias) is the UPSWING Hamburg agent involved in the case. SKUTZBACH said that he was going to trace KLOSE and GOTTLEROVA with us. The most interesting development in the case concerns EICHMANN who is acting like anything but an intelligence officer. If he is indeed identical with ANTOS he has driven KRAMM to his own apartment after picking him up before the Hotel Adria in East Berlin. EICHMANN has had 8 meetings with KRAMM and each of the meetings has been arranged approximately six weeks in advance as to time and place. EICHMANN drives KRAMM from their meeting place in East Berlin directly to the entrance of Tempelhof Airport in West Berlin. The three of us mulled over EICHMANN's actions at some length but could not come to any conclusion. Another strange thing in the case is the statements that EICHMANN has made which almost seem as though they are pointing directly at ANTOS as being identical with EICHMANN. The missions that KRAMM has had so far have been fairly simple. He has been asked to deliver letters to EICHMANN from Hamburg. He always flies to Berlin with the letters and UPSWING was afraid to open them and check the contents. The letters were to be delivered to EICHMANN unopened and in an attempt to be able to open the letters UPSWING had KRAMM tell EICHMANN that it was insecure to be traveling with an unopened old letter in his pocket. EICHMANN said he understood and that there would be no more letters. EICHMANN has
